

# Run's House

## Run Dmc

A whole lot of superstars on this stage here tonight  
But I want yall to know one thing, this is my house  
And when I say who's house, yall know what time it is

Who's house?

Run's house

Once again my friend not a trend for then  
They said, rap was crap but never had this band  
Till the ruler came with a cooler name  
Make ya dance and prance and draw the fans to stades

Name is Run my son number one for fun  
Not a gun that's done and get done by none  
The others act in fact ya just wack I kill, Why?

It's fun my son and Run heads the bill

Who's house?

Run's house

Who's house?

Run's house

I'm in the house yall, I'm in the house yall  
And this is how Run DMC will turn it out yall  
I'm in the house yall, I'm in the house yall  
And this is what Run DMC be about yall  
Will my name is DMC, the all time great  
I butts the most rhymes in New York state

Reporters claw, producers die

They want to be down with the king

The wanted man from the wanted clan

Wanted by every fan from across the land

Not a G A N G off the street

Or a U N D M C complete

Who's house?

Run's house

Who's house?

Run's house

Get on the mic and MC

Another time I take for the rhyme I make  
Make me mad and sad because the fad is fake  
See I do this thing so come presue this king  
One mind I rhyme so all you just break

'Cuz I'm the best, I'm def ask the rest they left  
Thats my name my game and we dont need the rep  
So keep the booze you loose and sucka cool your mouth  
I set a trap for rap thats crap, its Run's house  
Who's house?  
Run's house  
Who's house?  
Run's house  
Some underestimate and miscalculate  
My intent to create what I call the great  
Till I make a song that I prove them wrong  
See my song so strong itll make 'em come along  
Come in the door, get on the floor  
Hard rock hard hitting hiphop hard-core  
Causing casualties and catastrophes  
And tragedies for the suck MC's  
Use a strategies to get the best of me  
You dirty rat MC's whoever you may be  
You need to go down south, you need to shut your mouth  
Its all about no doubt just shout 'cuz we turn it out  
Who's house?  
Run's house  
Who's house?  
Run's house
