Talk Fast

5 Seconds of Summer

[Verse 1: Luke]
I don't wanna think about a moment with you
I'm kind of hoping for forever
I've been dreaming 'bout a knitted sweater for two
God damn it we look good together[Pre Chorus: Luke]
Would you wait, a moment
They're ringing the bell for last call
Won't you wait, a moment
Just give me a second, that's all
[Chorus: All]
Talk fast, romance
It won't last, I'm okay with that
Burn, crash, romance
I'll take what I can get from you
Talk fast, romance
Won't last, I'm okay with that
Burn, crash, romance
I'll take what I can get from you[Verse 2: Calum]
Leave all of your indecisions with you at home
Don't say you're doing me a favour
Why so complicated, won't you throw me a bone
I want your love in every flavour
[Pre Chorus: Calum]
Would you wait, a moment
They're ringing the bell for last call
Won't you wait, a moment
Just give me a second, that's all[Chorus: All]
Talk fast, romance
It won't last, I'm okay with that
Burn, crash, romance
I'll take what I can get from you
Talk fast, romance
Won't last, I'm okay with that
Burn, crash, romance
I'll take what I can get from you[Bridge: Luke]
Woah, ringing the bell for last call 8X[Chorus: All]
Talk fast, romance
Talk fast, romance
Won't last, I'm okay with that

Burn, crash, romance
I'll take what I can get from you
Talk fast, romance
Won't last, I'm okay with that
Burn, crash, romance
I'll take what I can get from you
