Verse 1
(oh oo oh oo oh oo yea)
(oh oo oh oo oh oo x2)
Life is a song meant to be sung
And dreams are the words that tickle your tongue
no time to lose
singing the blues
Stuck in a memory
You get what you give
So let yourself live
And be what you're meant to beChorus
Alrightt
Everything is gonna be so bright
Welcome to your destiny
Believe in yourself
And the answers will come
Alrightt
Everything is gonna be soo right

Heaven knows, Heaven knows
You waited so long
Soon you'll be singing your song.Verse 2
