

# Alright

## Shiloh

### Verse 1

(oh oo oh oo oh oo yea)  
(oh oo oh oo oh oo x2)  
Life is a song meant to be sung  
And dreams are the words that tickle your tongue  
no time to lose  
singing the blues  
Stuck in a memory  
You get what you give  
So let yourself live  
And be what you're meant to be

### Alrightt

Everything is gonna be so bright  
Welcome to your destiny  
Believe in yourself  
And the answers will come

### Alrightt

Everything is gonna be soo right  
Life is but a melody  
Heaven knows, Heaven knows  
You waited so long  
Soon you'll be singing your song.  
Verse 2  
Don't be afraid,  
Just jump right in  
Sometimes you lose, sometimes you win  
You make your mistakes  
Thats what it takes  
For you to find your way  
Trust in yourself

Nobody else knows what you want to say
