Soul Sweeper

God Dethroned

I am the great deceiver
I have caused so many wars
Those who opposed me
Never lived to tellSoul sweeper
Soul sweeperI had my acts accepted
I had my will understood
I caused all the mind trips
I manipulateNow it will all be different
After so many years
The church is empty
All the magic's goneSoul sweeper
Soul sweeperGod is dead, your God is dead
God is dead, I am the devilSoul reaper
Soul sweeperGod is dead, your God is dead
God is dead, I am the devilSoul reaper
Soul sweeperI am the great deceiver
I have caused so many wars
Those who opposed me
Never lived to tellI had my acts accepted
I had my will understood
I caused all the mind trips
I manipulateSoul sweeper
Soul sweeperGod is dead, your God is dead
God is dead, I am the devilSoul reaper
Soul sweeperGod is dead, your God is dead
God is dead, I am the devilSoul reaper
Soul sweeper
