Land Of Secret Dreams

Orange Goblin

Take my hand
Through this land
Walk with me
See what I seeClose your eyes
And realize
Taste your dreams
All is not as it seemsWelcome to a land of dreams
Where we search the passage of time
Experience the legends that lived
And feel the passion of the spirits riseSo peaceful here, the angels lend an ear
In the wake of a new day we fly
Descending we reach a new horizon
As we reach to touch the deep red sky
We touch the deep red sky oh, yeahDescending from a blinding glaze
As darkness looms beyond the frozen haze
As midnight strikes, the wizards rise
Sorcery opposes their demise, they rideBlackest clouds and darkest skies
Ever-burning stars like fiery eyes
Glowing seas and electric trees
Angelic sounds amidst the breezeThe keeper standing at the gates
For the rise of the evil force he waits
A dragon swirling overhead
He's got a coat of green and eyes of red, alright
