

# Alone (Feat. Will.I.Am)

K'naan

Slum dog millionaire  
The underdog sign when nobody can  
Big shows, sick flows  
I'm on the roll, that's just how it goes.  
I think big, I act high  
I chop it up in the streets like crack rock. Got lots of money  
But I don't got everything.  
Got lots of honeys  
But ain't got me a Queen!  
Feel like a champ  
But I don't got me a ring.  
Not me, not me yup.  
(The sun goes up), yup  
(The sun goes down)  
(And I'm always alone), yup  
(No matter who's around around).  
(The sun goes up), yup  
(The sun goes down)  
(And I'm always alone), yup  
(No matter who's around around). The fast life, the fast cars  
I spend my time with 'em honeys at the bar.  
Bank roll, credit cards,  
Up in the club they think they know  
Just who I are!  
A big deal, a big star  
Ridding big wheels!  
Ah ha! Got lots of money  
But ain't got everything.  
Got lots of honeys  
But ain't got me a Queen!  
Buy lots of diamonds,  
But I don't got me a ring.  
Not me, not me yup.  
(The sun goes up), yup  
(The sun goes down)  
(And I'm always alone), yup  
(No matter who's around)  
(Not maybe just yourself), yup  
(I'm looking in your face)

(The life from the party)  
(And everything will stay stay), yup.
