Run To You

Twila Paris

Faster now than ever, I run to You
Now I know You better, I run to You
I am a little older now, You know it's true
May be a little wiser too, I run to YouAnd I can see deeper than I did before
I do believe, never have I been so sure
That I need You every minute, every day
That I need You more than I could ever sayOoh, I run to You
Ooh, what else would I do?
I run to You
Ooh, I run to You, oohEven on the sad days, I run to You
Even on the good days too, I run to You
Even before all else fails, You know it's true
You are the wind in my sails, I run to YouAnd I can see deeper than I did before
I do believe, never have I been so sure
That I need You every footstep all the way
That I need You so much more than I can sayOoh, I run to You
Ooh, what else would I do?
I run to You
Ooh, I run to You, oohOoh, I run to You
Ooh, what else would I do?
I run to You
Ooh, I run to You, oohOoh, I run to You
Ooh, what else would I do?
I run to You
Ooh, I run to You, ooh
