

# I Love You

Clint Crisher

Yeah baby, ha ha ha, you like it?  
Okay. Ah yeah You, you are so wonderful  
A dream that's come true  
My dream of a lifetime  
I thank God you're mine  
Baby he was wrong to let you go  
He must have known another you  
Cause the man on my mind  
is right on time  
Making life oh so fine  
Baby you are so wonderful  
Walking with you on my side  
Sleeping with you on my mind  
I'll be the one you need  
Count on me cause baby  
I love you  
It's amazing  
Nobody ever made me feel this way  
It's amazing  
Loving you from the start  
Making me feel complete  
I've been waiting my whole life  
For what feels right  
I love you  
You are so wonderful  
A dream that's come true I thank God you're mine  
baby you You are so wonderful  
a dream that's come true my dream of a lifetime It you it's amazing Is it real? is it what I feel?  
Nobody ever made me feel this way
