

# I Pledge My Love

## Peaches

Always together, together forever  
Always together forever  
I will love you till the day I die  
I know this now and my love won't run dry  
You came along my life has begun  
Two hearts are now beating as though they were one  
Like the stars that make the night so bright  
You shine on me with a love that's so right  
A love that is lasting  
A love that's so pure  
Each time I feel it  
It makes me more sure  
Like a flower in a fairy tale I blossomed out  
From a source that won't fall, love that is lasting  
And love that is pure and each time I feel it  
It makes me more sure  
I know with all my heart we'll never part  
For this is the day when our love comes alive  
And I mean what I say as I stand here sayin  
I pledge my love to you  
I pledge my love is true  
I pledge my life to you  
I do my dear  
I do my dear  
Like a river finds the deep blue sea  
Love took your hand  
  
And led you to me  
This is the us that I'll never forget  
Both sparkling with love  
But happy we met  
I know with all my heart we'll never part  
For this is the day when our love comes alive  
And I mean what I say and I want you to know that  
I pledge my love to you  
I pledge my love is true  
I pledge my life to you  
I do my dear  
I do my dear

I'm so proud to have you by my side  
You be my strength and I'll be your guide  
You are the one you're a dream that is real  
Heaven has sent you it's love that I feel  
I know with all my heart we'll never part  
For this is the day when our love comes alive  
And I mean what I say if somebody should ask me  
I pledge my love to you  
I pledge my love is true  
I pledge my life to you  
I do my dear  
I do my dear, I do  
I pledge my love to you
