Lucky Charm

Charlie Wood

I dream of you and me on a ron-de-vou
Somewhere far away on a trip for two
We'll take a ride, a convertible on a straight highway
Girl now's the time to lay you down and make you mine
Candy star, silver moon, cherry rain, summer June
Chocolate me, caramel you, my lucky charm is what you are
Caramel, candy cane, sweeter than sugarcane
Love it when you call my name, lucky charm is what you are
I'll pour some drinks and then we'll play some C D's
I'll take your hand yeah and pull you up close to me
Now tell me can you hear the voice of love calling you and me
Girl now's the time to lay you down and make you mine
Candy star, silver moon, cherry rain, summer June
Chocolate me, caramel you, my lucky charm is what you are
Caramel, candy cane, sweeter than sugarcane
Love it when you call my name, lucky charm is what you are
I'll run your bath, girl you just make yourself at home
Don't have a care in the world 'cause we're all alone
Just slip off that robe and follow the love making sign
Girl now's the time to lay you down and make you mine

Candy star, silver moon, cherry rain, summer June
Chocolate me, caramel you, my lucky charm is what you are
Caramel, candy cane, sweeter than sugarcane
Love it when you call my name, lucky charm is what you are
Just like a cereal chocolate covered cheerio
Girl that's every bit of you
Cherries and lemon lime that tell me all the time
Sweet to the last drop, girl you're magically delicious
You are my candy star, silver moon, cherry rain, summer June
Chocolate me, caramel you, my lucky charm is what you are
Caramel, candy cane, sweeter than sugarcane
Love it when you call my name, lucky charm
Candy star, silver moon, cherry rain, summer June
Chocolate me, caramel you, my lucky charm is what you are
Caramel, candy cane, sweeter than sugarcane
Love it when you call my name, lucky charm is what you are
Candy star, silver moon, cherry rain, summer June
