## Ejorden Baby

Oh, the path you walk is on fire,  
So wild and unashamed  
With a passion you inspire  
I'm gonna keep those men at bay  
Cowgirl you've got that something  
Of what all my dreams are made  
So come on baby, just say the word,  
I wanna be your slave  
Yooooooooo-ooooo-ooooo-oooo-ooooo.....  
Oh the web you weave is so tender  
I'm tangled by your gaze  
And you know I need surrender  
I never locked you in a cage  
Cowgirl I've got that loving that puts all those men to shame  
So come on baby, just say you will  
Don't lay me in my grave  
Yooooooooo-ooooo-ooooo-oooo-ooooo.....  
Oh, the path you walk is on fire,  
So wild and unashamed  
With a passion you inspire  
I'm gonna keep those men at bay  
Cowgirl you've got that something  
Of what all my dreams are made  
So come on baby, just say the word,  
I wanna be your slave  
Yooooooooooooooooooooooooooooo  
Oh, miss Karoline
