Absolutely

Starfield

Lover of my soul I want to tell You Only You have all of meI cannot contain My adoration I'm in love so desperatelyNo one is as lovely as You are And there is no one else Who has my heartJesus, You have me completely Every breath that I breathe I am absolutely in loveJesus, I am Yours forever All of me surrenders I am absolutely in love with YouDown upon my knees I'm lost in worship Humbled by Your majestyWhat is there to say But how I love You Thank You for forgiving meNo one is as lovely as You are And there is no one else Who has my heartJesus, You have me completely Every breath that I breathe I am absolutely in loveJesus, I am Yours forever All of me surrenders I am absolutely in love with YouAll I am is Yours Only YoursJesus, You have me completely Every breath that I breathe I am absolutely in loveJesus, You have me completely Every breath that I breathe I am absolutely in loveJesus, I am Yours forever All of me surrenders I am absolutely in love with You
