

# Tidal Wave (Official Music Video)

## Taking Back Sunday

What's gonna happen when the old man goes  
Will you embrace chaos or take control  
When the guns are drawn outside your doors  
Will you call for peace or will you join the war  
What you gonna do when the law breaks in  
Will you stand your ground or confess your sins  
Oh no, no, no you don't know  
Oh no, no, no you don't know Where you gonna hide all the lies you told  
Can you buy back any of the soul you sold  
When your will is weak and the weight is strong  
Where will you go when you can't go on  
What's gonna happen on your dying day  
Will you turn to dirt or find the pearly gates  
Oh no, no, no you don't know  
Ah no, no, no you don't know You can beg, you can plead, you can try, you can pray  
Nothing's gonna save you from the tidal wave  
You can run, you can hide, you can leave, you can stay  
Nothing's gonna save you from the tidal wave  
You can beg, you can plead, you can try, you can pray  
Nothing's gonna save you from the tidal wave  
You can run, you can hide, you can leave, you can stay  
Nothing's gonna save you from the tidal wave So what's gonna happen when the old man goes  
What's gonna happen when the old man goes  
Guns are drawn outside your door  
What's gonna happen when the old man goes  
Whatcha gonna do when the law breaks in?  
Whatcha gonna do when the law breaks in?  
Oh no, no, no you don't know  
Oh no, no, no you don't know
