

Fade Into You (live)

[Mazzy Star](#)

I wanna hold the hand inside you
I wanna take the breath that's true
I look to you and I see nothing
I look to you to see the truth You live your life, you go in shadow
You'll come upon and you'll go black
Some kind of night into your darkness
Close your eyes with what's not there Fade into you
Strange you never knew
Fade into you
I think it's strange you never knew The strange light comes on slowly
A stranger's heart is out of home
You put your hands into your head
And your smiles cover your heart
