

# Crazy for This Girl

## KIDZ BOP Kids

She rolls the window down  
And she  
Talks over the sound  
Of the cars that pass us by  
And I don't know why  
But she's changed my mind Would you look at her  
She looks at me  
She's got me thinking about her constantly  
But she don't know how I feel  
And as she carries on without a doubt  
I wonder if she's figured it out  
I'm crazy for this girl She was the one to hold me  
The night  
The sky fell down  
And what was I thinking when  
The world didn't end  
Why didn't I know what I know now Would you look at her  
She looks at me  
She's got me thinking about her constantly  
But she don't know how I feel  
And as she carries on without a doubt  
I wonder if she's figured it out  
I'm crazy for this girl Right now  
Face to face  
All my fears  
Pushed aside  
And right now  
I'm ready to spend the rest of my life  
With you Would you look at her  
She looks at me  
She's got me thinking about her constantly  
But she don't know how I feel  
And as she carries on without a doubt  
I wonder if she's figured it out  
I'm crazy for this girl Would you look at her  
She looks at me  
She's got me thinking about her constantly  
But she don't know how I feel  
And as she carries on without a doubt

I wonder if she's figured it out  
I'm crazy for this girl
