

How You Like Me Now (Sugar Daadies Remix)

The Heavy

Now there was a time
When you loved me so
I couldn't do wrong
And now you need to know See, I been a bad bad bad bad man
And I'm in deep, yeah
I found a brand new love for this man
And can't wait till you see
I can't wait So how you like me now?
How you like me now?
How you like me now?
How you like me now? How you like me now?
How you like me now?
How you like me now?
How you like me now? Remember the time
When I eat you up
Yeah I was a lie
That you can't give up If I was to cheat
Oh no, would you see right through me?
If I sing a sad sad sad sad song
Would you give it to me? Would you? So how you like me now?
How you like me now?
How you like me now?
How you like me now? How you like me now?
How you like me now?
How you like me now?
How you like me now? Does that make you love me baby?
Does that make you want me baby?
Does that make you love me baby?
Does that make you want me baby?
