

# I Had Someone Else

## Hot Club Of Cowtown

I had someone else before I had you  
And I'll have someone after you're gone  
There'll soon be another one along Won't take you long to be standing in the middle of your trunk  
I had someone else before I had you  
And I'll have someone after you're gone I had someone else before I had you  
And I'll have someone after you're gone  
There'll soon be another one along  
You needn't stay, go any day  
I've got a swingin' door right in my heart  
And it swings either way  
I had someone else before I had you  
And I'll have someone after you're gone  
Yes, I'll have someone after you're gone
