Come Down Softly To My Soul

Spacemen 3

Heaven, come softly down to my side
Oh girl, you make me feel like I am so alive
I feel, feel just like Iâ€™m in heaven
And I know, Lord, that this feeling it has just begun
Come down softly to my soul

Heaven, wonâ€™t you stay with me for all time
Oh girl, stay within me and be always mine
Feels, feels just like Iâ€™m in heaven
And I know, Lord, that this feeling has just begun
Come down softly to my soul
