Minor Threat

Sublime

We're not the first
And I hope we're not the last
Well, you know where we're headed
We're gonna crashWhy is it live
And it just belongs to us?
Why is everybody
In such a fucking rush?Make do with what you got
Try not to forget
We never will
We're just a minor threatWe're just a minor threat
We're just a minor threat
We're just a minor threat
We're just a minor threatI was in the beginning
I was waiting to start
I might be an adult
But I'm a minor at heartDuck down what's going down?
What's the fuckin' deal?
It's not how old I am
It's how old I feelMake do with what you got
Try not to forget
We never will
We're just a minor threatWe're just a minor threat
We're just a minor threat
We're just a minor threat
We're just a minor threat
And that's a promise
