Midnight

Omarion

Verse 1:]
It Started Out Like Any Other Day
But It Was Anything But
Somethin Bout The Way The Moon Was Shining
Somethin Seems So Different No
Got In My Car But Didnt Have No Reason
Swear I Was Driving But Somethin Else Was Leadin Me
Lost All Track Of Time
Damn
The Next Thing You Wont Believe

[Hook:]
At 9:00 I Saw Her
By 10 I Had Her Number
11 Is When I Called Her
At 12:00 It Happened I Gotta Blame

[Chrous:]
Midnight
I Was Caught Up It's Like I Couldn't Help Myself If I Wanted To
Midnight
If She Found Out About Us Would It Be A Good Excuse
Midnight
12:00 Tick Tock Tick The Clothes Drop Shes On Top And I Dont Even Wanna Stop No
Made Me Disregrad Her And Break My Baby's Heart
I Know I Did Wrong But I Blame It On Midnight

[Verse 2:]
Still Here I Know Im In Trouble
But Imma Finish What I Started
My Heart Is Tellin Me To Leave Here
But My Body's Saying Stay Longer
We Going Strong While My Cell Phone's Blowing Up
I Know It's Wrong But Somethin Else Is Leading Me
Lost All Track Of Time
Damn
The Sex Is Just Too Good To Leave

At 1:00 Im In It
2:00 Still In It

Then 3:00 Im Finished
At 4:00 Im Driving Home I Gotta Blame

[Chourus:]
Midnight
I Was Caught Up It's Like I Couldn't Help Myself If I Wanted To
Midnight
If She Found Out About Us Would It Be A Good Excuse
Midnight
12:00 Tick Tock Tick The Clothes Drop Shes On Top And I Dont Even Wanna Stop No
Made Me Disregrad Her And Break My Baby's Heart
I Know I Did Wrong But I Blame It On Midnight

[Bridge:]
What Have Ya Done It's 5 Am Oh
Hooking Up Wit Somebody That You Don't Even Know
How You Gonna Get Yourself Outta This One
You Gotta Girl At Home
I Can Blame It On My Car Breaking Down Or I Can Say I Was Workin Late And Didnt Know
That You Was Waiting Up I Never Showed Up
Girl I Know Its My Fault
