

When I'm Gone (Intro) [Live]

3 Doors Down

There's another world inside of me that you may never see.

There's secrets in this life that I can't hide.

Somewhere in this darkness there's a light that I can't find.

Maybe it's too far away

Or maybe I'm just blind

Maybe I'm just blind So hold me when I'm here, right me when I'm wrong,

Hold me when I'm scared, and love me when I'm gone.

Everything I am, and everything in me I'll also be the one you wanted me to be.

I'll never let you down, even if I could I'd give up everything if only for your good.

So hold me when I'm here, right me when I'm wrong.

You can hold me when I'm scared, you won't always be there, so love me when I'm gone.

Love me when I'm gone. When your education x-ray cannot see under my skin.

I won't tell you a damn thing that I could not tell my friends.

Roaming through this darkness, I'm alive, but I'm alone.

Part of me is fighting this, but part of me is gone. So hold me when I'm here, right me when I'm wrong,

Hold me when I'm scared, and love me when I'm gone.

Everything I am, and everything in me I'll also be the one you wanted me to be.

I'll never let you down, even if I could I'd give up everything if only for your good.

So hold me when I'm here, right me when I'm wrong.

You can hold me when I'm scared, you won't always be there, so love me when I'm gone. Maybe I'm just

blind. So hold me when I'm here, right me when I'm wrong,

Hold me when I'm scared, and love me when I'm gone.

Everything I am, and everything in me I'll also be the one you wanted me to be.

I'll never let you down, even if I could I'd give up everything if only for your good.

So hold me when I'm here, right me when I'm wrong.

You can hold me when I'm scared, you won't always be there, so love me when I'm gone.

Love me when I'm gone.
