

Shattered (Demo)

Pantera

It's storming broken glass, corpses left in piles
Ungracious bludgeonment that breaks the earth for miles
Nothing can stop it, the day has come, from below it's catastrophic
Freezing, there's no healing
Families are dying
This world is shattered
All shattered
Life crushing turbulence,
This wrath can't be denied
Wishing you could help your friends,
Standing where they died
Echoes haunting, a hollow planet, lacerations,
Dissected nation
Freezing, there's no healing
Everyone is dying
This world is shattered
All shattered
