Giant Mistake

The Parlotones

Advisory - the following lyrics contain explicit language:

Devilishly gorgeous temptress
She, she knew that I would
And elegantly wasted tasted more
More than I should
Was a giant mistake, gigantic
Was a giant mistake, gigantic
What the hell were we thinking
Were we thinking at all
What the hell did we believe we'd achieve
We stood there with our hearts exposed
As the others said I told you so
What the hell
What the hell
And elequently said the phrase that pays
But somehow, I'm still flat broke
And succulently licked four five six seven
Don't leave me alone
Was a giant mistake, gigantic
Was a giant mistake, gigantic
What the hell were we thinking
Were we thinking at all
What the hell did we believe we'd achieve
We stood there with our hearts exposed
As the others said I told you so
What the hell
What the hell
What the hell were we thinking
Were we thinking at all
What the hell did we believe we'd achieve
We stood there with our hearts exposed
As the others said I told you so
What the hell

What the hell
What the hell were we thinking
Were we thinking at all
What the hell did we believe we'd achieve
We stood there with our hearts exposed
As the others said I told you so
What the hell
What the hell
