

Exterminate (vs. Naidoo)

Snap!

Ooh ooh ooh ooh

Ooh ooh ooh woh Can you feel when the music starts to play

Rhythm of the music and my body starts to sway

You can feel when the music starts to groove

Rhythm of the music and my body starts to move

Exterminate!

Can you feel when the music starts to play

Rhythm of the music and my body starts to sway

You can feel when the music starts to groove

Rhythm of the music and my body starts to move

Exterminate!

Exterminate

Exterminate!

Exterminate

Exterminate!

You'll be surprised with what you might find

You'll be surprised with what you might find

You'll be surprised with what you might find

You'll be surprised with what you might find

You'll be surprised with what you might find

You'll be surprised

You'll be surprised with what you might find

You'll be surprised

Can you feel when the music starts to play

Rhythm of the music and my body starts to sway

You can feel when the music starts to groove

Rhythm of the music and my body starts to move

Exterminate!
