

I Don't Think So

Priscilla Ahn

[Verse 1:]

Girl

You were looking at him

A little too long

For me to be your friend

And boy

You were looking at her

A little too short

For me to be yours[Chorus :]

And I've been really too nice, I know

You probably thought that we were just a show

But you better listen up

You better listen close

I don't think so[Verse 2:]

I

I think I should go

I can feel your eyes look at me and the door

Oh, I can take a hint

Oh, I can take a clue

You're giving me the go, sir

You're giving me the boot[Chorus :]

And I've been really too nice, I know

You probably thought that we were just a show

But you left me utterly confused

I am not here for you to use

So you better listen up

You better listen close

I don't think so
