

# Woww

## Tyga

Woww no introduction i can make a style off nothin frunting  
(naw) listen to my instructions and i can show you how  
tyga easly does it (woww) thats the new name they lovin  
studio to the show im the heat in the oven (yeah)  
I cant breathe cause im buzzin give me a little space even space im above it.  
[Chores]Woww ever heard a sound like this who you know better put  
down like this (woww) ever move a crowd like this i dont think  
nobody sound like this(x2)

Now this is where we all pause give me some flavor watch me mix it all sounds like something out of the  
normal so labels get ready for my proposal its like one of the two rappers on something ne the other dude  
garding the door while im sneaking through this comfortable rap my tracks lounging to they say (fly guy you  
hot) shit i thought you knew  
[Chores]

Woww ever heard a spound like this who you know better put it down like this (woww) ever moved a crowd  
like this i dont think nobody sounds like this (x2)

Back to the slow quick discussion the sound that your hearing right now is something that cannot be compared  
to others i mean basicaly im in the lead woth no teams you see i never failed to get above "B" an grade "A"  
rapper gust wait and see

feed me beats i'll grow into beast give me a second with fame watch what it's gone be  
[Chores]Woww ever heard a sound like this who you know better put it down like this (woww) ever move a  
crowd like this i dont think nobody sounds like this.(x2)
