Join Me In Death

Him

Baby join me in death
Baby join me in death
Baby join me in deathWe are so young, our lives have just begun
But already, we are considering escape from this world
And we've waited for so long for this moment to come
We're so anxious to be together, together in death, woahWon't you die tonight for love
(Baby join me in death)
Wont you die
(Baby join me in death)
Won't you die tonight for love
(Baby join me in death)This world is a cruel place, and we're here only to lose
So before life tears us apart, let death bless me with you, woahWon't you die tonight for love
(Baby join me in death)
So will you die
(Baby join me in death)
Won't you die tonight for love
(Baby join me in death)
Join me in death, woahThis life ain't worth living
This life ain't worth living(Join me, join me)
This life ain't worth living
(Join me, join me, join me, join me)
This life ain't worth livingWon't you die tonight for love
(Baby join me in death)
So will you die
(Baby join me in death)
Will you die tonight for love
(Baby join me in death)
Baby join me in death
