

# Join Me In Death

## Him

Baby join me in death  
Baby join me in death  
Baby join me in death We are so young, our lives have just begun  
But already, we are considering escape from this world  
And we've waited for so long for this moment to come  
We're so anxious to be together, together in death, woah Won't you die tonight for love  
(Baby join me in death)  
Won't you die  
(Baby join me in death)  
Won't you die tonight for love  
(Baby join me in death) This world is a cruel place, and we're here only to lose  
So before life tears us apart, let death bless me with you, woah Won't you die tonight for love  
(Baby join me in death)  
So will you die  
(Baby join me in death)  
Won't you die tonight for love  
(Baby join me in death)  
Join me in death, woah This life ain't worth living  
This life ain't worth living (Join me, join me)  
This life ain't worth living  
(Join me, join me, join me, join me)  
This life ain't worth living Won't you die tonight for love  
(Baby join me in death)  
So will you die  
(Baby join me in death)  
Will you die tonight for love  
(Baby join me in death)  
Baby join me in death
