## The Cover Lovers

Let's clap our hands
For the president and Jesus Christ
And did I mention Charlie Manson
And everybody else who was nice?Let's sing a song for the people scared
Searching in the
If you search real hard, you'll see thatI'll be there
Shooting up your world
Watching all the resurrection
Junkies losing groundYeah, I'll be there
Shooting up your world
Watching all the resurrection
Junkies losing groundLet's do high five
For a genocide and the Internet
And all the communication skills
That are lost when we are deadYou'll never survive 3005
While you'll be sinking in the ocean
I'll be in my special, still aliveShooting up your world
Watching all the resurrection
Junkies losing groundYeah, I'll be there
Shooting up your world
Watching all the resurrection
Junkies losing groundYeah, I'll be there
Shooting up your world
Watching all the resurrection
Junkies losing groundYeah, I'll be there
Shooting up your world
Watching all the resurrection
Junkies losing groundLet's clap our hands
For the president and Mickey Mouse
And every other motherfucker
That's burning up in this house
