

# 3005

## The Cover Lovers

Let's clap our hands  
For the president and Jesus Christ  
And did I mention Charlie Manson  
And everybody else who was nice? Let's sing a song for the people scared  
    Searching in the  
If you search real hard, you'll see that I'll be there  
    Shooting up your world  
    Watching all the resurrection  
Junkies losing ground Yeah, I'll be there  
    Shooting up your world  
    Watching all the resurrection  
Junkies losing ground Let's do high five  
    For a genocide and the Internet  
    And all the communication skills  
That are lost when we are dead You'll never survive 3005  
    While you'll be sinking in the ocean  
I'll be in my special, still alive Shooting up your world  
    Watching all the resurrection  
Junkies losing ground Yeah, I'll be there  
    Shooting up your world  
    Watching all the resurrection  
Junkies losing ground Yeah, I'll be there  
    Shooting up your world  
    Watching all the resurrection  
Junkies losing ground Let's clap our hands  
    For the president and Mickey Mouse  
    And every other motherfucker  
    That's burning up in this house
