

# Pleasant Theresa

## Jericho

If I shut up suddenly, itâ€™s cause Iâ€™m thinking of Theresa  
She doesnâ€™t belong to me, but someday maybe Theresa

    What could I say to persuade you Theresa

    I will say it every day to be with you Theresa

    We appreciate all the pleasantries you bring  
And quite frankly my dear, I prefer when you are here  
    Theresa is my friend, long after youâ€™ve gone  
    And right there by her side Iâ€™ll be singing

I donâ€™t got a lot to show, what I do is for Theresa  
And my bank account is low, but she donâ€™t care sheâ€™s Theresa  
    You can see it in her lips, sheâ€™s beautiful my Theresa  
    And her song goes like this, ohoh, I love Theresa

    We appreciate all the pleasantries you bring  
And quite frankly my dear, I prefer when you are here  
    Theresa is my friend, long after you've gone  
    And right there by her side Iâ€™ll be dreaming

    California might just be alright, at least for a while  
She holds up her middle finger while she fakes a smile  
    I wonâ€™t stop complaining till Iâ€™m holding her

    We appreciate all the pleasantries you bring  
And quite frankly my dear, I prefer when you are here  
    Theresa is my friend, long after you've gone  
    And right there by her side, Iâ€™ll be jamming

Imagine us three, just you and me and your dumb little dog  
    Life would be just like a holiday all season long  
    I wonâ€™t stop complaining till Iâ€™m  
    I wonâ€™t stop believing till Iâ€™m  
    I wonâ€™t stop complaining till Iâ€™m holding you ooooh
