

# Fuck Apologies (feat. Wiz Khalifa)

JoJo

I ain't apologizing for shit  
I do what I want, and JoJo does too, uhSaw it in your eyes, when you said goodbye  
You didn't even try, so this time I don't careAnd honestly I was just about to pick up the phone  
And then I realized that I didn't do nothing wrong  
You would even tell two lies to prove that you were right  
Usually I'd go on and take the blame but not this time, not this timeWhat you want from me?  
I would say I'm sorry if I really meant it  
Fuck apologies  
I would say I'm sorry if I really meant it  
I'm not perfect, I got pride  
That's not what it is this time  
So fuck apologies  
I would say I'm sorry if I really meant it  
If I, if I, if I really meant itI can't help that you, feel the way you do  
Try not to get confused, 'cause this time I don't careAnd honestly I was just about to pick up the phone  
And then I realized that I didn't do nothing wrong  
Didn't do nothing wrong, ayyWhat you want from me?  
I would say I'm sorry if I really meant it  
Fuck apologies  
I would say I'm sorry if I really meant it  
I'm not perfect, I got pride  
That's not what it is this time  
So fuck apologies  
I would say I'm sorry if I really meant itOkay, uh, no apologizing  
Ain't no way to take the things you did back or disguise it  
Always wonder what I'm doing but that's TMI  
Don't know what you got until it's gone, now you realize it  
When I wasn't playing smart now I'm being wise  
Finally I'm moving on and I don't need your lies  
And it wasn't even tough 'cause I can see the signs  
Now you're stuck, call an Uber up if you need a rideWhat you want from me?  
I would say I'm sorry if I really meant it  
(I don't mean it baby)  
Fuck apologies  
I would say I'm sorry if I really meant it  
(I know)  
I'm not perfect, I got pride  
That's not what it is this time  
So fuck apologies

I would say I'm sorry if I really meant it  
What you want from me?  
(I'm not sorry)  
Fuck apologies  
(Not saying it)  
I'm not perfect, I got pride  
That's not what it is this time  
So fuck apologies  
I would say I'm sorry if I really meant it  
(I would have said sorry a long time ago) If I, if I, if I really meant it
