Cry On Me

Brick & Lace

Weeh weeh weeh eh
Weeh weeh weeh eh
Weeh weeh weeh eh
cry on meeeeWeeh weeh weeh eh
Weeh weeh weeh eh
Weeh weeh weeh ehWhat can I do
To understand, to make it better
What can I do
To whipe your tears, and dry your eyes
What can I say
To eas your pain, and make it vanished
All I can do is be there for you
And all I can give is ma' shoulder ma' shoulder ma' shoulder
(Cry one me)
And all I can give is ma' shoulder ma' shoulder ma' shoulder
(Cry on me)
Mm Mn
To young to understand but, but'chu gotta hold on
had the eyes of a child of a whitness, something so wrong
Didn't even have a chance to say a last goodbye
Another daddy gona to heaven
Somebody tell me whyWhy she's gotta do this
Gotta get through this
And I know in my heart, she will give up
In time you go stronger, pain you no longer
And deep down inside
I know you give upWhat can I do
To understand, to make it better
What can I do
To whipe your tears, and dry your eyes
What can I say
To eas your pain, and make it vanished
All I can do is be there for you
And all I can give is ma' shoulder ma' shoulder ma' shoulder
(Cry on me)
And all I can give is ma' shoulder ma' shoulder ma' shoulder
(Cry on me)Two weeks to graduation, yes you woulda' been proud
Can't believe that's a living man was all thrown out
But the day he heard the news he could'nt comprehend

But the love of his born was taken
Came to his endNow he's gotta do this
Gotta get through this
And I know in my heart, he will give up
In time you go stronger, never pain you no longer
And deep down inside
I know you give upWhat can I do
To understand, to make it better
What can I do
To whipe your tears, and dry your eyes
What can I say
To eas your pain, and make it vanished
All I can do is be there for you
And all I can give is ma' shoulder ma' shoulder ma' shoulder
(eahhh yeah yeah)
And all I can give is ma' shoulder ma' shoulder ma' shoulder
(eahhh yeah yeah)
And all I can give is ma' shoulder ma' shoulder ma' shoulder(eahhh yeah yeah)
And all I can give is ma' shoulder ma' shoulder ma' shoulder
(eahhh yeah yeah)
And all I can give is ma' shoulder ma' shoulder ma' shoulder
(eahhh yeah yeah)And all I can give is ma' shoulder ma' shoulder ma' shoulder
(eahhh yeah yeah)
