Giving It Out (feat. ZoÃ« Johnston)

Above & Beyond

So long now
For so long now I been trying
It's not working
I been trying and hoping
And wishing with every part of me
It's not workingI keep giving it out
But it's not coming back to me baby
Kept thinkin that somehow
That i'm gonna go now
Now i wanna be freeYou can call out my name
And tell me about your pain
But i'm not coming back to you babyI'll be giving it out
But its not gonna come back to you, yea
I'll be givinng it out
But it's not gonna come back to youTheres only so much
Only so much u can do
My heart is breaking
I kept on giving it out
Because I love u
But oh, Oh this is not enough for me
Now I wanna be freeYou can call out my name
And tell me about your pain
But i'm not coming back to you babyI'll be giving it out
But its not gonna come back to you, yea
I'll be givinng it out
But it's not gonna come back to youBaby call out my name
And tell me all about your shame
But i'm not coming back to you baby
I'll giving it out
But it's not gonna come back to youYes, I say giving it out
But it's not gonna come back to you
Oh yea giving it out
All of this stuff
Giving it out
Somebody who loves
