

# Toys In The Attic

## Warrant

In the attic lies  
Voices scream  
Nothing's seen  
Real's a dream  
Leaving the things that are real behind  
Leaving the things that you love from mind  
All of the things you learned from fears  
Nothing is left for the years  
Voices scream  
Nothing's seen  
Real's a dream  
(Chorus)  
Toys, toys, Toys In The Attic  
Toys, toys, Toys In The Attic  
Toys, toys, Toys In The Attic  
Toys, toys, Toys In The Attic

In the attic lies  
Voices scream  
Nothing's seen  
Real's a dream  
Leaving the things that are real behind  
Leaving the things that you love from mind  
All of the things you learned from fears  
Nothing is left for the years  
Voices scream  
Nothing's seen  
Real's a dream  
(Repeat Chorus)
