

# Hold On

**KT Tunstall**

Say you to me, you're a bird with an eye for anything shiny  
Searching the land for a hero of a man  
You say I need more than my fair share of attention  
But I think you know that just isn't so  
Underneath I felt the fire of a burning question  
Tearing me apart right from the very start  
And now I see that it don't take a trick of the light to excite me  
So strong, so long, you'll see  
Hold on to what you've been given lately  
Hold on to what you know you've got  
Hold on to what you've been given lately  
Hold on cause the world will turn if you're ready or not  
Simplicity, a heart of gold, an old head on young  
shoulders  
Quiet and lovely, become a part of me  
And now I see from a handful of names and a thousand faces  
One light burning fiercely  
I was tired of January, I was tired of June  
I felt a change a-comin', oh  
I was tired of January, tired of June  
I felt a change a-comin', oh  
I felt a change a-comin', I felt a change a-comin'  
Felt a change a-comin' soon, oh  
Hold on to what you've been given lately  
Hold on to what you know you've got  
Hold on to what you've been given lately  
Hold on cause the world will turn if you're ready or not, whoa  
Hold on to what you've been given lately  
Hold on to what you know you've got  
Hold on to what you've been given lately  
Hold on cause the world will turn if you're ready or not  
Oh yeah, well the world will turn if you're ready or not  
Oh, yes the world will turn if you're ready or not
