Liar

Queen

I have sinned dear father, father I have sinned

Try and help me father

Won't you let me in? Liar

Oh nobody believes me - Liar

Ooh, why don't you leave me alone?

Sire I have stolen, stolen many times

Raised my voice in anger

When I know I never should

Liar - oh everybody deceives me

Liar - ooh, why don't you leave me alone ?Liar - I have sailed the seas

Liar - from Mars to Mercury

Liar - I have drunk the wine

Liar - Time after time

Liar - You're lying to me

Liar - You're lying to me

Father please forgive me

You know you'll never leave me

Please will you direct me in the right way

Liar liar liar liar

Liar that's what they keep calling me

Liar liarOoh, let me goListen, are you gonna listen?

Mama I'm gonna be your slave

All day long

Mama I'm gonna try behave

All day long

Mama I'm gonna be your slave

All day long

I'm gonna serve you till your dying day

All day long

I'm gonna keep you till your dying day

All day long

I'm gonna kneel down by your side and pray

All day long and pray

All day long and pray

All day long and pray

All day long, wow, all day long, wow

All day long, all day long, all day long

Yes, all day long, all day long, all day long, yeah

All day long, we have lift off, ow
