Dreamside

Unholy

Grey beauties of my sleep
Reaching for better tomorrow
Crying the deeds of yesterday
Taking me into lockers of my dreamsShining water's wild song
Towards the Seas of Chance
Sitting on a shore
Letting the chance come overl see all thoughts Veiled dark
And the eyes behind the veil
Reflection of my face
Like the surface of dark lake.
Shadows of my nightmares I left backLet us fly to the rain
As if it was easyExciting kiss of art
Runs through emotions
To the land of truth
From one delight to anotherLet us fly to the Dreamside
