November Rain

The Chud

When I look into your eyes I can see a love restrained
But darlin' when I hold you, don't you know I feel the same? yeah
Nothin' lasts forever and we both know hearts can change
And it's hard to hold a candle in the cold November rainWe've been through this such a long long time
Just tryin' to kill the pain, ooh yeah
But lovers always come and lovers always go
An' no one's really sure who's lettin' go today, walking awayAnd if we take the time to lay it on the line
I could rest my head just knowin' that you were mine, all mine
So if you want to love me then darlin' don't refrain
Or I'll just end up walkin' in the cold November rainDo you need some time on your own?
Do you need some time all alone?
Everybody needs some time on their own
Don't you know you need some time all alone?I know it's hard to keep an open heart
When even friends seem out to harm you
But if you could heal the broken heart
Wouldn't time be out to charm you?Sometimes I need some time on my own
Sometimes I need some time all alone
Everybody needs some time on their own
Don't you know you need some time all aloneAnd when your fears subside and shadows still remain, oh yeah
I know that you can love me when there's no one left to blame
So never mind the darkness we still can find a way
Nothin' lasts forever even cold November rainDon't you think that you need somebody?
Don't you think that you need someone?
Everybody needs somebody
You're not the only one, you're not the only oneDon't you think that you need somebody?
Don't you think that you need someone?
Everybody needs somebody
You're not the only one, you're not the only oneDon't ya think that you need somebody?
Don't ya think that you need someone?
Everybody needs somebody
You're not the only one, you're not the only oneDon't ya think that you need somebody?
Don't ya think that you need someone?
Everybody needs somebody
