Bugger Bugger Boy

Lightnin' Slim

I ain't no hoochie-coochie man,
But I've a whole lotta joy.
Won't you understand honey
I'm your bugger bugger boy
Yes I am
Yes I am
I got a whole lotta loving
And I can love to be the best

I can love you in the mornin'
And when that evenin' sun go down
With that same kind of love that make Tom Cat of a hound
Yes I can
Yes I can
I got a whole lotta loving
And I can love to be the best

Blow your harmonica, son

Got to have your love and kisses
Cuz they the real mcoin
Remember honey baby
I'm your bugger bugger boy
Yes I am
Yes I am
I got a whole lotta loving
And I can love to be the best
