

# Stay The Same (Tony Moran Radio Remix)

Joey McIntyre

[Chorus]

Don't you ever wish  
You were someone else  
You were meant to be  
The way you are exactly  
Don't you ever say  
You don't like the way you are  
When you learn to love yourself  
You're better off by far  
And I hope you always stay the same  
'Cause there's nothing 'bout you I would change I think that you could be  
Whatever you wanted to be  
If you could realize  
All the dreams you have inside  
Don't be afraid  
If you got something to say  
Just open up your heart  
And let it show you the way [Chorus] Believe in yourself  
Reach down inside  
The love you find will set you free  
Believe in yourself  
You will come alive  
Have faith in what you do  
You'll make it through Oh, [Chorus] Don't change
