Moondance

Nancy Lamott

Well
It's a marvelous night
For a moondance
With the stars
Up above in your eyes
A fantabulous night
To make romance
'Neath the cover
Of October skies
And all the leaves
On the trees are falling
To the sound
Of the breezes that blow
And I'm trying
To please to the calling
Of your heart-strings
That play soft and low
And all the night's magic
Seems to whisper and hush
And all the soft moonlight
Seems to shine in your blushCan I just have
One more moondance
With you, my love
Can I just make
Some more romance
With you, my loveWell I wanna make love
To you tonight
I can't wait
Till the morning has come
And I know
That the time is just right
And straight into my arms
You will run
And when you come my heart
Will be waiting
To make sure
That you're never alone
There and then
All my dreams

Will come true, dear
There and then I
Will make you my own
And everytime I touch you
You just tremble inside
And I know how much
You want me
That you can't hideCan I just have
One more moondance
With you, my love
Can I just make
Some more romance
With you, my loveWell I wanna make love
To you tonight
I can't wait
Till the morning has come
And I know
That the time is just right
And straight into my arms
You will run
And when you come my heart
Will be waiting
To make sure
That you're never alone
There and then
All my dreams
Will come true, dear
There and then
I will make you my own
Anytime I touch you
You just tremble inside
And I know how much
You want me
That you can't hideCan I just have
One more moondance
With you, my love
Can I just make
Some more romance
With you, my loveCan I just have
One more moondance
With you, my love
Can I just make
Some more romance
With you, my love
