

# Moondance

Nancy Lamott

Well  
It's a marvelous night  
For a moondance  
With the stars  
Up above in your eyes  
A fantabulous night  
To make romance  
'Neath the cover  
Of October skies  
And all the leaves  
On the trees are falling  
To the sound  
Of the breezes that blow  
And I'm trying  
To please to the calling  
Of your heart-strings  
That play soft and low  
And all the night's magic  
Seems to whisper and hush  
And all the soft moonlight  
Seems to shine in your blush  
Can I just have  
One more moondance  
With you, my love  
Can I just make  
Some more romance  
With you, my love  
Well I wanna make love  
To you tonight  
I can't wait  
Till the morning has come  
And I know  
That the time is just right  
And straight into my arms  
You will run  
And when you come my heart  
Will be waiting  
To make sure  
That you're never alone  
There and then  
All my dreams

Will come true, dear  
There and then I  
Will make you my own  
And everytime I touch you  
You just tremble inside  
And I know how much  
You want me  
That you can't hideCan I just have  
One more moondance  
With you, my love  
Can I just make  
Some more romance  
With you, my loveWell I wanna make love  
To you tonight  
I can't wait  
Till the morning has come  
And I know  
That the time is just right  
And straight into my arms  
You will run  
And when you come my heart  
Will be waiting  
To make sure  
That you're never alone  
There and then  
All my dreams  
Will come true, dear  
There and then  
I will make you my own  
Anytime I touch you  
You just tremble inside  
And I know how much  
You want me  
That you can't hideCan I just have  
One more moondance  
With you, my love  
Can I just make  
Some more romance  
With you, my loveCan I just have  
One more moondance  
With you, my love  
Can I just make  
Some more romance  
With you, my love
