

Can I Have It Like That (Deniz Kabu Remix)

Pharrell Williams

Ladies and gentlemen,
Yeszir,
Let's do it!
Yeszir, Yo, On and on and my nuts I'm palming,
Take two of these and call me in the morning
You should see the way the chain heart is to charmin'
Flying like a bird like Nelly Furtado
Shit pop ya bottles toast to screen cheers!
Getcha 2-step cuz it's the record of the year
Nigga that brought you ice creams 2 for a pair,
Officially announcing that this is warfare
Cuz back in the day my clouds was grey
And it seemed like my angels couldn't blow them away
But then i sold my first verse that cut the NSX
But i was still ridin' in them thin ass jets,
But now, My business so clear out the window of the leer
And I'm talking on my celly all this shit that you should hear,
Listen clearly now,
Hello, can you hear me now? Can i have it like that?
You got it like that
Can i have it like that?
You got it like that
Can i have it like that?
You got it like that
Can i have it like that?
You got it like that So, drop ya purse, and grab ya hips,
And act like ya tryin' to get this money right quick,
So can i have it like that?
You got it like that
Can i have it like that?
You got it like that On and on and this beat is zoning,
I control the mind straight over the phone,
Let 'em explore the words something like a tourist,
They never get addicted unless the heady wop is serious
From Louisdales to Jimmy Choos is real,
She knows the time she sees the richard mille,
Flat double skeletal tourbillon
Its just like her body move it turns her on,
She like the way my hands use her body for hand warmers,

And all our car doors go up like Transformers
See i can do it thisaway i can do it thataway
From the crib in Viginia to that new Miami getaway
So cool like new edition that she hollas ya scent,
I'll get it ok, let it boil away,
But please run along, cuz ladeez is feelin wrong,
And I got some right for 'em right after this song
Cuz my name is Skate-Board-PLadies and gentlemen,Can i have it like that?

You got it like that
Can i have it like that?

You got it like that
Can i have it like that?

You got it like that
Can i have it like that?

You got it like thatSo, drop ya purse, and grab ya hips,
And act like ya tryin' to get this money right quick,
So can i have it like that?

You got it like that
Can i have it like that?

You got it like thatOn and on and the temperatures warming
I spit heat flashes, niggaz get nautious,

Bright as a bitch

So analyze with caution

When the light hit the ice bet a 100 that you vomit
Should i mention the fact the transition is the track
No one change into the vision just to get me where I'm at
No skateboy P too grown

Riding up and down college in that new 2 tone
It's so cold you dont wanna feel the chill of it, (Uh!)
Just stand back and just look at the grill of it, (Uh!)
I don't smoke but i bet the... love it!

It totally intensifies vivid ass appeal of it,You could be jealous, and grit ya teeth,
But all these little nigaas got something in reachWhile on my boat party trying to sunseek,Ladies and
gentlemen,Can i have it like that?

You got it like that
Can i have it like that?

You got it like that
Can i have it like that?

You got it like that
Can i have it like that?

You got it like thatSo, drop ya purse, and grab ya hips,
And act like ya tryin' to get this money right quick,
So can i have it like that?

You got it like that
Can i have it like that?

You got it like that(huh, huh, huh, huh)
