Everything Is Cool

John Prine

Everything is cool
Everything's okay
Why just before last Christmas
My baby went awayAcross the sea to an island
While the bridges brightly burn
So far away from my land
The valley of the unconcernedI was walking down the road, man
Just looking at my shoes
When God sent me an angel
Just to chase away my bluesI saw a hundred thousand blackbirds
Just flying through the sky
And they seemed to form a teardrop
From a black haired angel's eyeThat tear fell all around me
And it washed my sins away
Now everything is cool
Everything's okayEverything is cool
Everything's okay
Why just before last Christmas
My baby went awayAnd I find it real surprising
For myself to hear me say
That everything is coolEverything's okay
Everything is cool
Everything's okayWhy just before last Christmas
My baby went away
