

# Afraid for Love to Fade

Christian Bautista

My head's in a jam  
Can't take you off my mind  
From the time we met  
I've been beset by thoughts of you  
And the more that I ignore this feeling  
The more I find my self believin'  
That I just have to see you again I can't let you pass me by  
I just can't let you go  
But I know that I'm much too shy to let you know  
Afraid that I might say the wrong words and displease you  
Afraid for love to fade  
Before it can come true  
Like a child again  
I'm out and lost for words  
How does one define a crush combined with longing  
Longing to possess you, oh so dearly  
And I'm obsessed by you completely  
I'll go mad if I can't have you I can't let you pass me by  
I just can't let you go  
But I know that I'm much too shy to let you know  
Afraid that I might say the wrong words and displease you  
Afraid for love to fade  
Before it can come true I can't let you pass me by  
I just can't let you go  
Let me say the things and say words to let you know  
I would rather say the awkward words than lose you  
Or for love to fade  
Before it can come true...
