User

Confliction

I used, I used her right
I used, I used her right
I used, I used her right oh, yeah
I used, I used her right
I used, I used her right
I used, I used her right oh, yeahDon't you give me no
Don't you give me no shit
Don't you give me no
Don't you give me no shitI used, I used her right
I used, I used her right
I used, I used her right oh, yeah
I broke her open wide
I broke her open wide
I broke her open wide oh, yeahDon't you give me no
Don't you give me no shit
Don't you give me no
Don't you give me no shitI used, I used her right
I used, I used her right oh, yeahDigging down down deep in my conscience
Digging up some, something nasty and white
Break wide down the, down the middle and hard
I'll tear away what I came forI used, I used her right
I used, I used her right oh, yeah
I used, I used her right
I used, I used her right oh, yeah
