Like an Arrow

Lucy Rose

Oh, won't you comfort me?
I don't feel like myself lately
Oh, won't you stay with me?
'Cause when you're gone my vision's hazy'Cause I was made for you
We were made like twoWe took our chance
And we flew
Like an arrow
Like an arrow
We came to our
Sense to soar
Like an arrow
Like an arrowOh, won't you comfort me?
Talk to me, you speak so sweetly
Oh, won't you stay with me?
Nights are short when you are near me'Cause I was made for you
We were made like twoWe took our chance
And we flew
Like an arrow
Like an arrow
We came to our
Sense to soar
Like an arrow
Like an arrowWe took our chance
And we flew
Like an arrow
Like an arrow
We came to our
Sense to soar
Like an arrow
Like an arrow'Cause I am on your side
I will comfort you
I'm in love with youWe took our chance
And we flew
Like an arrow
Like an arrow
We came to our
Sense to soar
Like an arrowWe took our chance
And we flew

Like an arrow
Like an arrow
We came to our
Sense to soar
Like an arrow
Like an arrowWe took our chance
And we flew
Like an arrow
Like an arrow
We came to our
Sense to soar
Like an arrow
Like an arrow
