

# Like an Arrow

Lucy Rose

Oh, won't you comfort me?  
I don't feel like myself lately  
Oh, won't you stay with me?  
'Cause when you're gone my vision's hazy'Cause I was made for you  
We were made like twoWe took our chance  
And we flew  
Like an arrow  
Like an arrow  
We came to our  
Sense to soar  
Like an arrow  
Like an arrowOh, won't you comfort me?  
Talk to me, you speak so sweetly  
Oh, won't you stay with me?  
Nights are short when you are near me'Cause I was made for you  
We were made like twoWe took our chance  
And we flew  
Like an arrow  
Like an arrow  
We came to our  
Sense to soar  
Like an arrow  
Like an arrowWe took our chance  
And we flew  
Like an arrow  
Like an arrow  
We came to our  
Sense to soar  
Like an arrow  
Like an arrow'Cause I am on your side  
I will comfort you  
I'm in love with youWe took our chance  
And we flew  
Like an arrow  
Like an arrow  
We came to our  
Sense to soar  
Like an arrowWe took our chance  
And we flew

Like an arrow  
Like an arrow  
We came to our  
Sense to soar  
Like an arrow  
Like an arrow We took our chance  
And we flew  
Like an arrow  
Like an arrow  
We came to our  
Sense to soar  
Like an arrow  
Like an arrow
